

RSA

Fellowship

The RSA Engage series consists of two types of event: Engage, for audiences of between 50-150; and Connect, for audiences of 20-30. The events offer project showcasing and discussion combined with structured networking.

Aims and objectives are:

- **Connect**; providing structured networking sessions
- **Inform**; outline RSA activity, projects and routes to engagement: 4 ways to engage
- **Inspire**; demonstrate how the RSA enriches society through ideas

Engage Series 2015
